## CHINA

### Fast Growing Economy

With mighty investments on education & research, China offers first-class infrastructures. China will spoil you with opportunities & adventures as 5000 years of history has bequeathed a seemingly endless amount of tourist attractions to visit.

## JIANGSU PROVINCE

### Modern, Yet Ancient

Located in South-east area of China, her perfect blend of ancient and modern China attracted over 32,000 international students in 2016. Jiangsu Province is China economy's lead player with annual records in education, GDP and many more.

## ZHENJIANG CITY

### Small = Romantic

Discover China at this 3500 year-old historic, cultural city and a romantic city (1 hour rail distance from Shanghai) For consecutive three years, Zhenjiang is listed among top 10 safest cities in China.

*According to China Institute of City Competitiveness*

## JIANGSU UNIVERSITY

### All You Need

With over 100-year history, JSU revives teaching and research with emphasis on engineering and allied disciplines. It is one of the first groups of universities that offered doctoral programs for students in China. Education here is tailored to student needs.

## SCHOLARSHIPS

### Funding the Talented

JSU offers a number of scholarship to overseas students. Do not be left out if you missed it; excellent students and those who need financial support are always motivated to show their best results. Check in-side for more information.

## A PLATFORM FOR ALL

### Unleash Your Greatness

We pamper students to improve the 4Cs “Critical Thinking, Collaboration, Communication & Creativity”. JSU always offers platforms to students with creative ideas and talents. You might be the next! Check our website for students’ success stories.

## DYNAMIC CAMPUS

### Wonderful College Life

You can't join us via Google hangout - it just wouldn't be the same. You have to be here; doing it, living it, being a part of it. Welcome to experience the dynamic multi-cultural community at one of the most beautiful campus in China.

## CAREER OPPORTUNITIES

### Access Through Alliance

JSU's alliance with a numerous enterprises is a hub to provide internship and career opportunities to it's students. Let us plan your future, even before you graduate. JSU is one of the first universities in China to have an “own” alliance to train international talents.
