Ready for mobility

The application for network mobility for the academic year 21/22 is enabled. Note that the deadline for the Winter Term is June, 15.

Knowledge-Exchange takes place: CEEPUS networks 21/22

After a very intensive and productive "International Commission" and the evaluation done by our cooperating national experts, we are happy to award 86 networks for 2021/2022! Further more, we will have 29 Networks with "Umbrella" status. Scholarships that are not used by the approved networks are given to these "umbrellas" during the academic year. We congratulate all participating institutes. We also would like to thank the National CEEPUS Offices as well as the experts for the great cooperation during the selection process .

CEEPUS Mobility Wizard

CEEPUS Mobility Wizard - Step 1

To make applying as easy as possible for you, the CEEPUS Mobility Wizard will guide you through the first steps. On the right hand side you can find further explanations within the "how to" section.

To get started, please choose one of the following answers and then click on the button "next step".

- YES,**
I will apply for a mobility in an existing network (I know my home and host institution) I also know the number of my CEEPUS Network (= CEEPUS Network Number, "CPNR").
If the CPNR is unknown, you can find it [here](#).
- NO,**
I am planning to apply as a freemover. To my knowledge neither my home institute nor my host institute participate in a CEEPUS network.

Note: the software might suggest possible CEEPUS partner institutions of your home institution for you to select, if applicable.
